

see the future of our South Bay Shoreline

As we sustainably rebuild our aging wastewater treatment plant, we can consider new land uses on its 2,600-acre shoreline site. Attend a workshop to comment on the draft land use plan that includes: recreation, a clean tech center, research institute, jobs-based development, trails, habitat areas, retail, and more.

Wednesday, January 19 – 6:00 – 8:00 p.m.
